INDEPENDENT AUDITOR'S REPORT

To the Members of Homes First Society

We have audited the accompanying financial statements of Homes First Society, which comprise the statement of financial position as at December 31, 2017, and the statement of operations, statement of changes in net assets and statement of cash flows, and a summary of significant accounting policies and other explanatory information. The financial statements have been prepared by management of Homes First Society based on the financial reporting provisions of the operating agreements between Homes First Society and the specified users described in the notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for private enterprises, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained in our audit is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Homes First Society as at December 31, 2017, and its financial performance and its cash flows for the year then ended in accordance with the financial reporting provisions of the operating agreements between Homes First Society and the specified users described in the notes to the financial statements.

Basis of Accounting and Restriction on Use

Without modifying our opinion, we draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial statements are prepared to assist the management of Homes First Society to comply with the financial reporting requirements referred to above. As a result, the financial statements may not be suitable for another purpose. Our report is intended solely for the members of Homes First Society and should not be used by parties other than the members of Homes First Society.

PURPOSE AND NATURE OF THE ORGANIZATION

Homes First Society (the "Society") is a not-for-profit organization incorporated under The Corporations Act (Ontario) as a corporation without share capital and is registered with the Canada Revenue Agency as a charity within the meaning of the Income Tax Act.

The primary purpose of the Society is to provide permanent and affordable housing and transitional support services to those with the fewest housing options in our community.

In accordance with its operating and funding agreements with the funders listed below, the Society receives funding to provide subsidized housing and transitional support services to its tenants and their families.

City of Toronto

Canada Mortgage and Housing Corporation (CMHC)

Ontario Ministry of Health and Long Term Care (MOHLTC)

United Way of Greater Toronto

The Society is dependent on these funders for its continued operation.

Specified Users

The specified users of these financial statements are as follows:

City of Toronto

Canada Mortgage and Housing Corporation (CMHC)

Ontario Ministry of Health and Long Term Care (MOHLTC)

United Way of Greater Toronto

1. SIGNIFICANT ACCOUNTING POLICIES

These financial statements are prepared in accordance with the financial reporting provisions of the operating agreements between the Society and the specified users. The significant policies are detailed as follows.

(a) Basis of accounting

The basis of accounting used in these financial statements differ from Part III of the CICA Accounting Handbook - Accounting Standards for Not-for-Profit Organizations in the following ways:

- (i) Property and equipment and assets under capital lease related to programs funded by the City of Toronto Social Housing Unit other than 53 Strachan and 1322 Bloor Street West are recorded at cost. Amortization includes amortization of land and is equal to the amount of principal repaid on the corresponding mortgages rather than the useful lives of the related assets. Consequently the related assets are not tested for impairment.

1. SIGNIFICANT ACCOUNTING POLICIES, continued

- (ii) Major repairs, upgrades and expenditures and replacement of property and equipment are funded as an allocation from the externally restricted reserves.
- (iii) Allocations to the restricted reserves are made through the statement of operations rather than statement of changes in net assets.
- (iv) Long-term land leases have been treated as capital leases rather than operating leases.

(b) Consolidation

Homes First Foundation (Foundation), which is controlled by the Society as a result of the Society's significant economic interest in the Foundation, is not consolidated in the Society's financial statements. The Society has chosen to disclose the total assets, liabilities and net assets as its year end as well as the revenues and expenditures for the period.

(c) Fund accounting

The accounts of the Society are maintained in accordance with the principles of fund accounting by which resources for various purposes are classified for accounting and reporting purposes into funds relating to the specific activities and operations. These funds are as follows:

(i) Unrestricted net assets

The unrestricted net assets represent the operating fund for the Society and consist of the Society's rental, administrative and support activities.

(ii) Externally restricted reserves

The Society is required by several agreements with its funders to maintain replacement reserve funds. The cash and investments in the funds are restricted and can only be used for capital expenditures as defined by the agreements. These funds consist of monies held in Guaranteed Investment Certificates as well as funds administered by an investment manager at Phillips, Hager & North Investment Funds Ltd.

(iii) Internally restricted reserve

Internally restricted reserve funds are to be used to fund major repairs and maintenance projects at locations which have no established specific reserve account, as approved by the Board of Directors.

1. SIGNIFICANT ACCOUNTING POLICIES, continued

(d) Revenue recognition

Government funding, revenues from tenants and other revenue is recognized on an accrual basis in the statement of operations. The City of Toronto provides subsidies to assist the Society's operations. The annual subsidy is subject to revision upon filing of the Annual Information Return for private non-profit housing corporations.

Restricted contributions related to expenditures of future periods are deferred and recognized as revenue in the period in which the related expenditures are incurred.

Unrestricted and restricted investment income is recognized as it is earned in the appropriate fund.

(e) Cash and cash equivalents

Bank balances, including bank overdrafts with balances that fluctuate from positive to overdrawn, are presented under cash and cash equivalents. Cash equivalents include highly liquid investments that are readily convertible to known amounts of cash and that are subject to an insignificant risk of changes in value. An investment normally qualifies as a cash equivalent when it has a short maturity of approximately three months or less from the date of acquisition.

(f) Property and equipment

Property and equipment are accounted for at cost. Contributed property and equipment are recorded at their fair value at the date of the donation. Except for the City of Toronto Social Housing Unit funded properties described in Note 1(a)(i), property and equipment are amortized following the straight line method over their estimated useful lives as follows:

Buildings	25 years
-----------	----------

(g) Deferred capital contributions

The Society received funding for the purpose of acquiring property and equipment. The contributions are recognized as revenue on the same basis as those used to amortize the property and equipment. The unamortized portion of the contribution is shown on the statement of financial position as deferred capital contributions.

(h) Contributed services

The Society would not be able to carry out its activities without the services of the many volunteers who donate a considerable number of hours. Due to the difficulty of compiling these hours, contributed services are not recognized in the financial statements.

1. SIGNIFICANT ACCOUNTING POLICIES, continued

(i) Allocation of expenditures

The Society engages in housing and transitional support services. The costs of each program includes the costs of personnel and other expenditures that are directly related to providing the services. The Society also incurs other expenditures that are common to the management and operations of the organization and each of its programs.

The Society allocates certain of its maintenance and administration expenditures by identifying the appropriate basis of allocating each component expenditures, and applies the basis consistently each year based on assumptions made by management. These costs are included in the revenues and expenditures per the schedules attached to the financial statements.

(j) Financial Instruments

Measurement of Financial Instruments

The Society initially measures its financial assets and liabilities at fair value, except for certain related party transactions that are measured at the carrying amount or exchange amount, as appropriate.

The Society subsequently measures all its financial assets and financial liabilities at amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in the respective fund.

Financial assets measured at amortized cost include cash and cash equivalents, accounts receivable and government funding receivable.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities, government remittances payable and mortgages payable.

Financial assets measured at fair value include restricted investments.

Impairment

For financial assets measured at amortized cost, the Society determines whether there are indications of possible impairment. When there is an indication of impairment, and the Society determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows, a write-down is recognized in excess of revenues over expenditures in the respective fund. A previously recognized impairment loss may be reversed to the extent of the improvement. The carrying amount of the financial asset may not be greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in excess of revenues over expenditures in the respective fund.

1. SIGNIFICANT ACCOUNTING POLICIES, continued

(k) Use of estimates

The preparation of financial statements in accordance with the financial reporting provisions of the operating agreements between the Society and the specified user organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and the reported amounts of revenues and expenditures for the period covered.

The main estimates relate to the impairment of financial assets, the estimated useful life of property and equipment other than funded properties, allowance for doubtful accounts and the provision for the repayment of subsidies.

2. CASH AND CASH EQUIVALENTS AND RESTRICTED INVESTMENTS

	2017	2016
Cash and Cash Equivalents		
Guaranteed investment certificates	\$ 849,597	\$ 841,838
Cash (Outstanding cheques)	231,589	(154,710)
	1,081,186	687,128
Restricted Investments		
Bond funds	1,081,638	1,101,032

53 Strachan - leasehold improvements	4,070,985	3,418,348	652,637	818,461
Total	\$ 11,852,205	\$ 8,181,866	\$ 3,670,340	\$ 4,157,791

As a condition of the mortgage subsidies received for these properties, the Society may not sell or otherwise dispose of any or all of the property and equipment without the prior written consent of the City of Toronto.

Leasehold Interest

(a) 490 Huron Street

The Society entered into a lease agreement with the City of Toronto Non-Profit Housing Corporation, wherein the land has been leased by the Society for a term of forty (40) years commencing on the 1st day of March, 1988 and ending on the last day of February 2028.

(b) 800 Adelaide St. West

The Society entered into a lease agreement with the City of Toronto, wherein the land has been leased by the Society for a term of ninety-nine (99) years commencing on the 1st day of September, 1989 and ending on the last day of August 2088.

Consideration for the entire term was paid and is capitalized as the cost of land.

(c) 53 Strachan House

The Society entered into a lease agreement with the City of Toronto, wherein the land and buildings have been leased by the Society for a term of five (5) years commencing on the 1st day of May, 2003 and ending on the last day of April 2008.

The lease is continuing on a month to month basis.

Portion of contributions relating to land recognized as a direct increase in net assets invested in property and equipment	(257,550)	(257,550)
Accumulated amortization	(3,612,597)	(3,427,177)
Total	841,777	1,027,197
Consists of:		
1322 Bloor St. West	189,149	208,745
53 Strachan House	652,628	818,452
	\$ 841,777	\$ 1,027,197

8. RESTRICTED CONTRIBUTION

The balance includes an amount of \$100,000 received from The Toronto Real Estate Board to purchase a residence to house homeless families. In 2003, the Society spent \$10,963 on a feasibility study to determine whether an existing property could be expanded for housing. The remaining amount consists of interest earned on the funds. The amount continues to be held until the board of directors locates a suitable project to apply the funds towards.

12. HOMES FIRST FOUNDATION

The Society is the sole member of Homes First Foundation. The Foundation's purpose is to support the long-term financial viability and continued housing supply for the Society. The Foundation was incorporated on November 7, 2001 under the Canada Corporations Act and is a charitable organization within the meaning of the Income Tax Act.

The Foundation's audited financial statements are summarized as follows:

	2017	2016
Statement of Financial Position		
Total assets	\$ 234,914	\$ 379,827
Total liabilities	90,109	87,159
Net assets	144,805	292,668
	\$ 234,914	\$ 379,827

	2017	2016
Statement of Operations		
Revenues		
Donations and fundraising	\$ 703,903	\$ 592,111
Grants	21,361	16,885
Interest	1,192	1,459
	726,456	610,455
Expenditures		
Fundraising	230,676	199,327
Wages and benefits	229,159	191,749
Administrative overhead	71,321	38,613
Disbursements to Homes First Society	343,163	280,150
	874,319	709,839
Deficiency of revenues over expenditures	\$ (147,863)	\$ (99,384)

13. FINANCIAL INSTRUMENTS

Transactions in financial instruments may result in an entity assuming or transferring to another party one or more of the financial risks described below. The required disclosures provide information that assists users of financial statements in assessing the extent of risk related to financial instruments.

(a) Credit risk

Credit risk is the risk that one party to a financial transaction will cause a financial loss for the other party by failing to discharge an obligation. The Society's main credit risk relates to its funding receivable, HST rebate receivable and rent receivable.

(b) Liquidity risk

Liquidity risk is the risk that the Society will encounter difficulty in meeting obligations associated with financial liabilities. The Society's exposure is dependent on its ability to repay trade creditors and long term debt as they become due. The Society expects to meet these obligations as they come due by generating sufficient cash flow from operations combined with the receipt of monthly subsidies from its funders.

(c) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The Society is mainly exposed to interest rate risk and other price risk.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Society is exposed to interest rate risk on its fixed interest rate financial instruments. Fixed rate instruments subject the Society to risk of changes in fair value. The exposure to this risk also fluctuates as the quantity of fixed rate instruments held changes from year to year.

(ii) Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Society is exposed to other price risk through its investments in marketable securities for which the value fluctuates with the quoted market price.

14. COMPARATIVE AMOUNTS

The financial statements have been reclassified, where applicable, to conform to the presentation used in the current year. The changes do not affect prior year earnings.
